Children can you measure the tip of the following things by using the ruler?

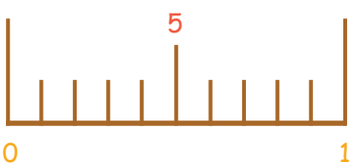

Yes, the measurement between 0 and 1 is 0.5 cm.

= 1 cm

= 10 millimetre

10 millimetre	=	1 centimetre
100 centimetre	=	1 metre
1000 m	=	1 Kilometre
1000 metre	=	1 kilometre
1 mile	=	1.6 kilometre

Think

How can you measure the distance between villupuram and cuddalore?

Group Activity

Ask the children to measure the length of the following things.

a. Black board **b.** Cupboard **c.** Table **d.** Wallclock **e.** Classroom
