ANBU AND THE FISH

Anbu was talented in catching fish. He always went to catch fish with Madhan. They usually used dhoti as a net to catch the fish. Anbu also made fishing rods using sticks and thorns at home.

Then,they shared the fish equally. Unlike their friends, Anbu and Madhan, were always careful while fishing. They never went deep into the pond or river. Every Sunday they would go in search of earthworms to use them as bait. They enjoyed searching for earthworms. Once the bait was ready they would go fishing.

On Sunday, Anbu was not happy. They were able to catch only three fish. The fish were very small to cook so they decided to grow the fish at home. Anbu filled the jar with water and let the three fish into it. The fish exerted and swam in different directions. Anbu thought the fish was hungry and dropped earthworms into the jar. But to his surprise, the fish did not eat. He saw their eyes and could feel their fear.
