Magic square :

Magic square is a square filled with numbers such that the sum remains same when we add from top to bottom left to right or diagonally as shown below.

2	9	4	
7	5	3	15
6	1	8	
	15		

13	6	11	
8	10	12	30
9	14	7	
	30		

Activity 2

Create a magic square by using 10, 20, 30, 40, 50, 60, 70, 80 and 90.

Try This

1. Create magic squares using multiples of nine

2. Create magic squares using multiples of hundred
